FROM THE RECTORY

I cannot believe I have been here in Somerset a year! I felt very much at home as soon as I arrived. Every one has been so kind, friendly and supportive. It was a new venture, not only crossing the border from the Church in Wales to the C of E but also changing from full-time to part-time. I was a little apprehensive at first as to how that would work but I have been very touched at how hard every one works to protect my study time for me!! With me only working in the parishes three days out of seven, the life of the parishes and the upkeep of our buildings wouldn't happen without the hard work of the church officers and congregations and the wider support of the community: my deep gratitude to you all.

The summer saw the launch of Growing Faith, our new service for children and their parents (and any other grown ups who enjoy the organized chaos!). It is important that we provide ways to encourage our children's links with the church. But you don't have to be a child to be growing in faith. Our thoughts and ideas about the big questions continue to challenge us as we go through life. Faith isn't something that is delivered at Sunday school and remains unchanged come what may. This autumn there will be an opportunity to come and chew the fat about life, the universe and everything: Growing Faith for Grown ups. It will be at 7.30pm in the Rectory on Tuesdays: look out for the dates in the magazine and the grown up equivalent of squash and biscuits will be provided!!!!

As harvest comes round once more, we take a step back from the hurly burly. We are reminded of the wider, global context in which we live, of our absolute dependence upon the natural world, with all its vagaries and our interdependence as human beings. We couldn't do this on our own.

Remembering how much we rely on the labour, hard work and ingenuity of others, let us continue to be generous to those who without help, cannot even obtain the bare necessities, leave alone the luxuries we take for granted.

Charlton Musgrove's Harvest Appeal this year is going to the East Africa Famine appeal and if you would like to contribute, please do let Jeremy Sellick, the Treasurer know.

REFLECTIONS OF A RELUCTANT FLOWER LADY

I get the call. Will I help out and do the church flowers next weekend. I have initial heart-sink but then optimistic side comes foolishly to the fore and I say I will. A challenge always good.

I buy flowers. Soak the gerberas up to their necks overnight as advised. The next day, flushed with success as the gerberas have behaved nicely and not done a u-turn up top, I enter the church and investigate the flower cupboard. With full confidence, I choose the vase, stick long green bits into the elderly oasis (forgot advance oasis wetting needed) to make shape. They flop a bit. Push harder. Great success and in go the golden gerberas and the lovely dark red leaves I have filched from my friend's garden. I stand back a yard or two. All looks perfect.

I go to back of the church and prepare to be amazed. No – just a dark blob with uneven small yellow spots. Back to drawing board. Up the red carpet with extra chrysanthemums. Stick 'em in. Go to back of church.

Rearrangement worse as although bigger, the yellow blobs now uneven. Up the red carpet I go again. Take out the most offensive chrysanthemum. Half the arrangement falls out. Try to repair. Change tactics and reposition chrysanthemums. Tread over all the greenery on the floor and make way to back of church. Red carpet beginning to look like woodland path. Teeth gritted.

Get more chrysanthemums and select some greenery from floor. Repeat above several times.

Give up on that one and turn attention to arrangement number two. Only three blooms left. Stick in jug with greenery and don't risk going to back of church.

Clean red carpet and pews and go to leave the church. I vow not to look back.

But I do

..... and luckily for all will stick to making tea at the flower festival. **AD**

Friday 21st October 10.30am - 12 noon

Come along to the new hall in Charlton Musgrove for a cup of real coffee, cakes and biscuits and catch up with friends and neighbours - sit in the sun on our new patio and enjoy the view. Don't forget ----anyone on their own who has a NON-medical crisis and requiring help, please phone **31634** and Diane will respond as speedily as possible.

One of our kind volunteers has made the following excellent suggestion ----they have access to a 4X4 and are willing to **help in difficult weather conditions** (snow, ice, flooding). We wondered if anyone else with a similar vehicle would let me know if they are willing to offer similar help to residents, in bad weather conditions. Please let me know & I shall compile a separate list of assistants, vehicle-wise.

The Flower Show was a happy and well-supported event this year. It was good to have the extra space of the new hall, and good to see so many families enjoying themselves. It would be even better with some more entries. A few classes had no entries at all, and in others the only entry couldn't help winning. Next year let's GIVE THEM SOME COMPETITION!

Many thanks to Nickie Mieville and her team who ran it so well. The total takings were about £450 (of which the auction made £110) to be shared between the Children's Society and the village churches.

Kimbers' Farm Open Day After a dull start, August the 21st turned into a beautiful summer's day, and with the sun came the crowds. About 300 people enjoyed walks around the farm and conducted tours of the farm buildings, said hello to the pigs & calves, gorged themselves on burgers & ice-cream, or simply relaxed in the sun. The raffle to win a £40 farm-shop voucher raised £153 for Send-a-Cow. Many thanks to the Kimber family and to various members of the PCC for organising a very enjoyable day.

Our congratulations and best wishes to Den Hazell, who celebrated his ninetieth birthday on 27th August. He was kind enough to host a small birthday lunch the previous day at the Stag's Head at Yarlinton when the occasion was suitably toasted - the only sadness was that we missed Betty Wareham's company as she continues her recovery at her son Anthony's in Oxfordshire. Well done, Den and many many happy returns. **PL**

Eileen Yateman is now in Wincanton Community Hospital (Verrington). Her friends are thinking of her and we send our very best wishes to both Eileen and Pady. **AD**

We are happy to hear that **Betty Wareham** is recovering well from her illness. She is still in Witney with her family but the good news is that she hopes to be back in the village before too long.

Betty would like to thank everyone for their cards and letters and is sorry she hasn't been able to reply to them individually, but wants to say how much she has appreciated your kind thoughts and messages. **AD**

Roger Patch hasn't been too well recently and we send our very best wishes to him. **AD**

Congratulations to Brian Ellard on his 80th birthday on 18th September. Many happy returns Brian! **F/ALG**

Congratulations to David and Dorothy Davies on their 50th Wedding Anniversary on 9th September. We wish them many more happy anniversaries together (and thank you for the cakes you brought to the coffee morning which were enjoyed by all!) **F/ALG**

Belated, but heartfelt congratulations to **Ron and Sheila Lyons** on the occasion of their Diamond Wedding Anniversary (23rd June) which they celebrated with a family party.

Phil Thomas, lately of Kington Magna and Cucklington, died on 3rd August in Northumberland after a long and courageous battle with Parkinson's Disease. Verity Jacques 1919 - 12th July. 2011

Verity was universally beloved and respected. Extracts follow from a resume of her life by her daughter Christobel Cumberlege:

Verity grew up in Cheshire but remained proud of Scottish connections through the Lindsay Clan. In 1939 she married Humphrey who, after service in the war, trained for the Ministry and in 1948 was ordained Deacon in Wells Cathedral. For nearly 30 happy years, Humphrey was Vicar of Portesham, later to include Langton Herring and Abbotsbury. In retirement in 1981, they moved to Buckhorn Weston where, almost immediately, an interregnum occurred at Templecombe and Horsington. Humphrey cheerfully took on duties there with Verity always the wonderfully supportive parson's wife and chauffeuse. Humphrey died in 1993. A keen follower of The Park Beagles in her nimbler days, Verity lived on happily in Buckhorn Weston, attending Church there but also at Cucklington, preferably where there was a Book of Common Prayer service. As Christobel writes: 'She loved coming to Cucklington. It lifted her spirit.' And her beautiful singing voice lifted the spirits of all around her. Christobel later adds: 'It is a happy thought that she found many dear friends in Somerset and Dorset to add to her old friends further North.' **EMN**

The Cucklington Art Group reconvenes on **Tuesday 4th October 2011**, meeting in the Arthur Morison Memorial Hall at 9.30 am and working until 12.30 pm each week until 6th December. This friendly, supportive Group welcomes artists of all abilities working in any medium. Further details from Lachlan Fraser on 01747 840018. **LGF**

Summer Barbeque: A big thank you to the Crocker family for holding an excellent BBQ at Church Farm Dairy on 20th August. Everyone had the chance to drive a tractor and operate a loader. An excellent evening – which raised £377 for Church funds.

Special thanks to photographer Steven Drewett who has donated a wonderful framed photograph of the Charlton Musgrove ancient oak for our new hall. We are absolutely thrilled with it and have hung it in our meeting room where it looks really fantastic. Steven is a film maker who has worked at the BBC and as a freelance for many years. He recently exhibited for the Somerset Wildlife Trust Exhibition held at The Chapel in Bruton.

Over the course of a year Steven photographed ‘landmark trees’ in the area of Selwood Forest for this exhibition: Ancient trees which, by virtue of their special qualities or significant locations, stand out from the rest of their neighbours. This work provided a contemporary picture of how these old trees have weathered the centuries as land usage has passed from hunting forest and deer park into estates and cultivated farmland. The Charlton Musgrove oak was part of this project. **Sally Amery**

COUNCIL NEWS

Stoke Trister with Bayford Parish Council

Parish Boundary Consultation

You will shortly receive a consultation leaflet from South Somerset District Council. It will ask whether you support a proposed change to the parish boundary that runs between Stoke Trister with Bayford and Pen Selwood.

This relates to an area of land purchased when the A303 dual-carriageway/Wincanton by-pass was built through the middle of Leigh Common.

After many years, land registration has been resolved and the two parishes now wish to change the parish boundary so that the whole of Leigh Common is within Stoke Trister Parish. There are no residential properties on this land and consequently no local electors will be affected. Stoke Trister with Bayford Parish Council manages the Common and two fields are let for grasskeep to generate funds to maintain the Common.

In order to bring in this boundary change, the district council needs to consult all the people registered to vote in both parishes. Further information and a map of the area will be in the consultation leaflet. **Both Parish Councils ask for your support in resolving this long standing boundary issue. Please look out for the consultation leaflet arriving shortly and complete and return it in the pre-paid envelope. Thank you.**

Contact Rosemary Keep on 01963 33656 or email: rkeep@gotadsl.co.uk.

Maureen Foote: We were much saddened by Maureen Foote's death. She was Clerk to our Parish Council at a difficult time during the Wincanton bypass construction and was particularly valued as liaison between Penselwood and Stoke Trister with Bayford Parish Councils – coincident with the purchase of the Leigh Common Land Replacement owned by the Foote family.

Maureen, with the wonderful support of her family, bravely coped with a wretched stroke, which eventually necessitated her giving up Clerkship. Her clarity in clerkship was a splendid support to the then Chairman; her approach to physical adversity – unbelievable. **P.A.D.Y**

Launched in the South West from Monday 19th September and across the rest of the country by the end of 2011, 101 will become the number to contact the police for non-emergencies. It should be used for reporting a crime that does not need an urgent response, contacting a local officer, getting crime prevention advice, making an appointment with a police officer, telling us about local policing issues in your area, or any other non-emergency.
