Let Him look at you

The other day, someone was speaking about visiting with her elderly mum. She was telling us that whenever she visited she would offer to do any jobs that might be needed and beyond her mum's reach. Her mum's response was to say: "**Just sit down and let me look at you**". I've been thinking about that conversation ever since.

What a wonderful thing to say to your child. "**Just sit down and let me look at you**".

She was sharing this vignette, a year after her mum's death. There are no more opportunities for her mum to 'sit and look at her'. How glad she is that she took the time while her mum was alive.

I wonder if I can say the same. Have I made time for the things that really matter or am I so focused on the tasks at hand that I forget the need for space to develop relationship? I have a sense that this isn't just about the people who matter to me but also that it may be Jesus speaking to me as well. "**Just sit down and let me look at you**".

The story of Mary and Martha opening up their home to Jesus in hospitality perhaps reminds us most of the priority of spending time in the presence of Jesus. Martha complains at Mary's lack of support in helping with the household jobs. Jesus response is to suggest that Martha has become so distracted with the 'tasks' of hospitality that she has missed the point of what welcome and relationship is.

We often think of this story as being about Mary and Martha's priorities. Which is of greater significance? Our attitude of service or that of spiritual exploration? However I'm wondering if Jesus was saying something more. "**Just sit down and let me look at you**". What would Jesus see if He looked at you? **How** does He look at you?

March 8th is international women's day, often an opportunity to remind us that society's way of looking at women has changed over the years. The Me Too movement has revealed some of the ways in which women have been objectified resulting in forms of abuse. Alongside that growing realisation we are increasingly aware that many women and men feel a sense of dissatisfaction with how they look and can find their mental health affected as a result. Many of us find another person looking at us, uncomfortable.

I'd like to suggest that we might hear these words, "**just sit down and let me look at you**", as an invitation from Jesus to spend time under his gaze this week. Not as a means of incurring shame but rather to receive the look of love that he so wants us to see.

100 Club Winners February Draw:

No 90 Laura Pritchard

Dear Friends and Neighbours, it's that time of year when our minds turn to our gardens, and so I write to beg you to spare a thought for the Charlton Musgrove village plant sale. When you start sowing seed and tidying up your borders, if you find yourself with too many seedlings, or some extra basal cuttings, then do please pot them up and keep them to one side for the plant sale, which, this year will take place on 4th May, at Charlton Musgrove Village Hall. We'll be doing our usual thing of selling ALL the plants that are donated for £1 a pot and are very much hoping to beat last year's amazing result of £3,000 raised in just three hours! There will be cake, and a raffle too. All proceeds this year to go towards the Raise the Roof appeal for St Stephen's church.

With many thanks, and looking forward to seeing lots of tomato, broad bean, runner bean, sweet pea, delphinium.... and many more kinds of seedlings

ARE YOU ON THE ST STEPHEN'S ELECTORAL ROLL?

What is the Electoral Roll?

The church's Electoral Roll is the register of its voting members; it is a list of those qualified to attend and to vote at the Annual Parochial Church Meeting.

Electoral rolls provide an indication of the real membership and strength of the church.

Renewal of the Electoral Roll

Every six years, a new roll is prepared with everyone on the previous roll invited to reapply and new members added.

Who can be on the Electoral Roll?

Baptised adults (over 16 years) who live in the parish, or who have worshipped regularly at the church for at least six months (or would have attended had sickness not prevented them) who are committed to being part of the life of the local Church of England congregation.

Why Join?

Enrolment is a way of saying "I belong".

It is an act of commitment to the local church and the church as a whole. It opens the way for a greater involvement in the life of the church at parish, deanery, diocesan and national levels.

If you would like to be on the Electoral Roll and you meet the requirements, please contact Jean Sellick at jean@bradsons.co.uk for a form.

SCRABBLE

The next scrabble evening will be on Friday 8th March in the Village Hall, starting at 7pm. If you are interested in finding out about joining the scrabble group please ring Gaye on 01747 840450.

COFFEE MORNING

The next coffee morning will be on Saturday 30th March, from 10 am. Not to be missed!

VILLAGE HALL CLEANING

Very many thanks to those several people who turned up to Saturday 9th February to give our village hall a thorough clean. It's looking better than ever. On the same theme – many people going around the village pick up obvious bits of litter deposited by amazingly thoughtless people as they transit through (or sit in their cars at the viewpoint admiring the view, before tossing their McDonald's packaging out through the window). A particular thank you to Antony and Mary Coulber, who walk round the entire village on a regular basis picking up all the litter.

FLOWER ROTA MEETING

Monday 15th April at 11am at Orchard House for coffee and to discuss the Flower Rota for the coming year. If you are unable to attend, please let me know your preferred dates in advance. Anyone who would like to help this year is always welcome.

We will be decorating St Lawrence's for Easter on Saturday 20th April from 10am, any white and yellow flowers, greenery and help is much appreciated.

VILLAGE HALL BROADBAND

The hall will be connected with a fibre optic link on the 25th March. We will then have high speed access – much faster than most of us will have at home. Please pass the word round, as we may get some extra hall bookings as a result. And thanks are due to Phil Crawford-Smith for organising this.

POP UP PUB

Friday 1st March from 7.30pm
All welcome to this social event

ST LAWRENCE'S CHURCH ELECTORAL ROLL

The St Lawrence's Parish Church Council will be compiling a new Church Electoral Roll in 2019. The closing date for inclusion is 6th March 2019.

The Church Electoral Roll is a register of all those who live in the Parish of, or worship in, St Lawrence's Cucklington. It entitles all those registered to vote on matters relating to St Lawrence's.

St Lawrence's lies at the heart of our village and has a unique place in our community, the history of the village and its future wellbeing. Your vote matters enormously and it counts for so much.

So do please take a few moments to register.

Application forms can be found in either this copy of Village News (Yellow insert) OR the foyer of St Lawrence's Church OR it can be obtained by contacting either Julia Crawford Smith (01747 841045) or Martin Speller (01747 840216).

Remember please the closing date is 6th March 2019. Thank you.

The first set is already up, and focuses on Worbarrow Bay and Tyneham on the Jurassic Coast. Later on we could well focus on other displays, such as interesting people in this area, follow up The Bayford Book with more photographs, etc. All ideas welcome!

PLASTIC FREE WINCANTON

"INNOVATIONS FOR A SUSTAINABLE FUTURE WITH PLASTICS"

7:30pm on Friday 15th March

Bayford Village Hall

Please come along and share ideas about how to address the issues around our use of the earth's resources and the impact it is having on our environment.

Speakers

Nick Stillwell, Stormboard

Nick developed and manufactures Storm Board, a hard-wearing and weather-proof material made from 100% waste plastic, which, at the end of its use, is 100 per cent recyclable, making it a cost-effective and durable alternative to MDF, chipboard or plywood. This local firm has expertise in reusing plastic waste, having already worked with Frome Town Council to turn their waste into new uses such as public noticeboards, and now has contracts with several major supermarkets and construction firms.

Connor Bryant, Loop Innovations

Connor is an industrial designer creating products and systems for the circular economy. He co-founded Loop Innovations, a sustainable design consultancy, alongside Jack Schneider, after they both graduated, from Loughborough University, with a first class degree in product design and technology. At Loop Innovations, Connor is working with other businesses to improve the sustainability of their products, processes, and systems of delivery. A key principle of the company is to promote closed-loop thinking by considering the entire life cycle of products - and to ensure that the solutions proposed make environmental sense. Currently, Connor is working tackling the issue of plastic waste at festivals and events by developing products made entirely from waste replacing existing single-use offerings. Other work includes graphic design, sustainability consulting and designing machines to facilitate recycling - and he's become experienced at 3D printing with recycled material.
