Following some recent confusion over a Parish Council questionnaire I tried to clarify things last month about this magazine (is it a magazine or am I bigging up the Village News too much there?) but have been asked to explain it some more. It obviously costs money to produce the Village News and this is provided by the Parochial Church Councils. Now, they do receive donations towards it and of course funding from our lovely advertisers all of which they are extremely grateful for but they still remain financially responsible, I am given content and suggestions from members of the public, groups/societies, the churches and Parish Councils. (I also get suggestions from Andy but most of them aren't printable!!) I answer to them and they are ultimately responsible for you receiving such an amazing publication free every month.

Coffee Morning

10am Saturday 25th June and
10am Saturday 30th July

Village Hall.

Coffee, cake and chat.

All welcome

The coffee morning on the 30th July will be combined with defibrillator training - so come along for your usual coffee, and brush up on the use of the defibrillator.

Cucklington had a fabulous couple of events for the Platinum Jubilee, The BBQ, Pop up Pub and Beacon on Thursday 2nd of June was very well attended. Special thanks to the organizers, Hall decorators, Game providers, lovely bar staff, BBQ cooks, John and Sam for a spectacular Beacon and to Andrew Cranfield for his Bagpipes and Diu Regnare

The Church was beautifully decorated by our wonderful Flower Ladies, I hope most people managed to pop in to admire their handiwork.

Unfortunately the Picnic on the view point on Sunday 5th had to be removed to the Hall due to inclement weather but nether the less it was very much enjoyed and the Hall was full! With some delicious looking Picnics'. The tables were beautifully decorated with Flowers and Union Jacks and to finish with we once again were spoilt with Andrew on his Bagpipes and Highland Cathedral.

A big thank you to everyone who made it happen.

JUBILEE

..don't worry, it's nearly over, honest!!

There will be a plaque to commemorate the platinum jubilee of HRH Queen Elizabeth II.

It will be displayed on the Village Hall and the 'Grand Unveiling' will be on July 16th followed by drinks and nibbles in the Village Hall.

We will also be launching the JUBILEE LINE, a more practical legacy of the Jubilee.

It will help neighbours to help neighbours.

A phone line you can contact if you the need help of a neighbour but don't like to ask or simply don't know who to ask.

Whether it's a lift to the doctors, help understanding forms, some shopping picking up, a dog to be walked or someone to have a cup of tea and a chat with, we want to create a list of residents willing to help in some way or so that help is always available.

A simple text or call would result in a suitable volunteer being asked to make contact and take it from there. We all have something to offer but we all need something and some point. That's what neighbours are for!

PARISH COUNCIL

Thank you very much to **everyone** who took the time to complete and return their **parish plan**. We are performing the **£50 prize draw** this week and will let you know the *win-ner* in the next VILLAGE NEWS. We will be working on the **feedback** over the **SUMMER** and will present the results to you at a later date.

We were very sorry to hear of Brian Ellard's death on May 7th aged 90. He and Averil had been so much a part of Bayford life and he will long be remembered for playing Father Christmas in local pantomimes and parties, and for his and Averil's generous hospitality. They are both greatly missed in the village.

His funeral was a very fitting send off for such a fun loving and young at heart gentleman. The bright colours, humorous anecdotes and genuine warmth and love were a true reflection of how he had lived his life.

Our condolences go to Howard and Clare.

DEFIBRILLATOR TRAINING

The defibrillator training was well attended by both villages. We covered how to recognise when someone is in cardiac rest, ie not responsive and not breathing and so needs CPR and a defibrillator and were reminded to dial 999 as soon as possible for professional medical help. We learnt how to perform effective CPR, and the need to keep going with this until the defibrillator is set up on the patient and/or ambulance arrives.

The defibrillator is **so important** as it can detect whether there is a rhythm and what kind of shock it needs to get the heart pumping blood around the body again and ultimately supplying oxygen to the brain.

Our nearest one is in the phone box, outside The Unicorn Pub in Bayford, although others can be found in phone boxes at Cucklington, Charlton Musgrove and the petrol station in Bourton.

Our machine is designed to be used by anyone with no training as it issues instructions as soon as it is turned on. However we also have 4 local volunteer first responders that you can call for assistance:

Laura Rose-Walker 07772 436812 Jo Garrett 07973 631744

Chris Rose-Walker 07919 261739 Aly Diggle-Perry 07770 221330

UDDER FARM NEWS

242 here just to let you know that a very nice man came and retested me for TB.

Luckily I didn't react to the second lot of jabs I had, so I am no longer an inconclusive reactor. This means I can re-join my friends and they are allowed to sell animals if they need too, no restrictions on our movements now.

The other happening since last ramblings is that they have made a lot of silage for us to eat next winter. They cut the first lot in April, this has never been known here before, but hopefully due to the time of year that it was cut it should be very good quality, which should save them buying in so much expensive concentrate.

They then cut again six weeks later and it looks from our fields that there is more in the silage clamps, than there was this time last year. We hope that they have got it right, because where it was so wet last May and they made the silage in June, the grass had gone past its best, but at least it was palatable but they had to balance it with expensive concentrate.

The next thing we have to look forward too, is its coming up to the time we are dried off, this is when we are allowed out in the fields to rest before we calve. Which is a bit like going on holiday for 2 months. Then mid August we will start calving and the year begins again for us.

Dedicated service to others Overcomers Outreach is an international network of Christ-centred 12 step support groups which helps individuals, their families and loved ones who suffer from the consequences of any addictive behaviour. We exist to serve as a bridge between traditional twelve step recovery groups and churches of all denominations. We recover together as we meet to study and grow in God's Word and Spirit. Our groups welcome all, regardless of age, race, lifestyle, background or belief.

VILLAGES' WALKING GROUP

By the time you read this we shall have – very recently – completed our mid-summer evening walk around the paths. At the same time we shall be looking ahead to our July walk. This is to be on **Thursday 28th July, meet at the Spread Eagle, Stourton at 10am.**

The walk, ca 3½ miles, will be on the Stourhead estate and around the boundaries of the NT's gardens, but not in the Stourhead Gardens themselves (so you won't need to bring your NT membership card with you unless you would prefer to park in the NT car park at Stourhead, or want to use their café post-walk). There is usually car parking space along the roadside by the Spread Eagle and the neighbouring church.

Do join us – you will be most welcome. As always, it would be a kindness if you would get in touch beforehand, please, (contact details below), so we know you will be walking with us (and won't set off without you). If anyone needs a lift to get there, or needs directions, do contact us.

If anyone needs a lift to get there do contact us.
