## Remember Jesus too

Writing about the celebration of Holy Communion almost eighty years ago, Gregory Dix posed the question 'Was ever another command so obeyed?' It's well worth searching online for his whole answer. An edited quote of his response reads:

'For century after century, spreading slowly to every continent and country and among every race on earth, this action has been done, in every conceivable human circumstance, for every conceivable human need. Men have found no better thing than this to do for kings at their crowning and for criminals going to the scaffold; for armies in triumph or for a bride and bridegroom in a little country church; for the wisdom of the Parliament of a mighty nation or for a sick old woman afraid to die; while the lions roared in the nearby amphitheatre; on the beach at Dunkirk. And best of all, week by week and month by month, on a hundred thousand successive Sundays, faithfully, unflinching, across all the parishes of Christendom, the pastors have done this just to make the plebs sancta Dei—the holy common people of God.'

The first of Dix's scenarios will be played out before us at the coronation of King Charles III. At the heart of the ceremony, amidst all the pomp and circumstance, the oaths and declarations, the regalia and crowning, will be the celebration of Holy Communion. The words used will be just the same as those spoken in our parish churches Sunday by Sunday. From Communion, the King and Queen will be sent out from Westminster Abbey to live like us the prayer we say at the end of many of our services. They will offer 'their souls and bodies to be a living sacrifice, sent out in the power of [God's] Spirit to live and work to [God's] praise and glory.'

The command that the King, Queen and all of us obey is Jesus's direction to 'Do this in remembrance of me.' So, as you watch the Coronation please remember Jesus too. For he is the one who comes to us as a servant; the king of Kings.

# CORONATION NEWS

## Bishop Michael to play historic role at Coronation

The Cabinet Office has announced that 13 individuals will play historic roles at the heart of the Coronation. Among them are Bishop Michael and Paul Butler, Bishop of Durham, who will act as Bishop Assistant to The King.

Commenting on the announcement, the Rt Revd Michael Beasley, Bishop of Bath and Wells says, "I am deeply honoured that as the Bishop of Bath and Wells I will have the privilege of supporting His Majesty King Charles and Her Majesty the Queen Consort during the service of Coronation. It is a truly historic moment and humbling to realise that this continues a tradition dating back to Richard I in 1189. The church family in Bath and Wells will be praying for their Majesties as we approach the Coronation and marking the event itself with services of celebration, community events and volunteering."

The fate of Western Europe hangs on Winston Churchill in the early days of World War II. The newly appointed British prime minister must decide whether to negotiate with Hitler or fight on against incredible odds. During the next four weeks in 1940, Churchill cements his legacy as his courageous decisions and leadership help change the course of world history. Gary Oldman at his best.

If anyone knows them, particularly Maggie, then they will know how hard it is to keep anything secret from her but Mary, Alice and I started talking about this months ago and nobody in the village let on! Thank you!

## ST STEPHENS. AND ST JOHN'S.

THANK YOU!

*Thank you* to those who provided beautiful flowers

at Easter both our churches looked so beautiful. The Daffodils were fully out in bloom at St Stephens, either side of the path, and they look great, so *thank you* to Andy and Helen Smith for donating them. *Thank you* to Jenny and Judy and children for the lovely Easter Garden at St Stephens, and to Lizzie and family for the one at St John's. *Thank you* to Mike and Eileen for our Passover meal at the Chantry, it's good to remember, also a very moving Good Friday service at St John's. Our Easter Service at St Stephens was well attended, so *thank you* to all who took part in so many ways. Great to have our Young folk reading so well, *thank you* Esme, Mabel and Gilbert. *Thank you* to Bea, stepping up so well as Jesus in our drama, Jo as blind Bartimaous, Thomas from Cucklington as Zacchaeus, and our 10 lepers!! *Thank you* Jenny for providing the worship and of course Joan for keeping me in order and . No Priest, no organist and people ill!! But, our service went ahead!! Easter eggs were enjoyed by all.

The week before being Palm Sunday, was another story of overcoming. Boggy walks, became a drive to all three churches led by Mike and finishing at St Stephens to a soup lunch!! Simple you would think. After taking slow cookers of home made soup to the church, only to find a power cut!! Back to our house to reheat the soup. A call from Mike to say everyone was waiting, so Judy and I loaded the soup etc up again, drove to St Stephens, when praise the lord on came the electric and a great time was had by all. So many gathering together, what a great community! Rosy, glad you are feeling better, we missed you!

### Memorial Hall Coffee Morning

The Coffee Morning will be held on Friday 19th May. A once a month coffee morning is held at 10.30 on the 3rd Friday of each month so following Friday 19th May the June one will be on Friday 16th. There will be coffee, tea and cake with the opportunity to catch up with neighbours and friends. All this for £2.00. Any surplus monies made will go to local charities at the end of the year.

Do come and join us, best wishes from all the voluntary team of coffee providers.

It is with great sadness that we hear of the death of Peter Furneaux on the 12th April following a short illness.

Peter was a much loved and respected member of our Village Community.

He had served on the Parish Council for many years. Spent hours keeping St John's Cemetery beautifully tended and had helped with the care of the Recreation Ground.

Peter was a good neighbour, always willing to help anyone in need. Happy to have a chat as folk walked their dogs down Barrow Lane. Cheering many a passers by day with a friendly word, socially distanced of course when the rules applied.

We will miss Peter and Wendy in our village. Wendy's wonderful work with John Ball, doing the wonderful displays commemorating people in the Village who fought for our right to liberty in the two world wars.

Their kindness and help to us all will not be forgotten.

Our thoughts and prayers are with Wendy, Richard, Gary and all their families in their loss.

# UDDER FARM NEWS

247 here again, last month I wrote that we had been forced into lockdown again, due to the weather. Since then the sun shone for a few days and they thought the ground had dried out enough for us to go out again and finish our winter lockdown.

We did go out and our younger daughters and sisters moved into our winter housing so that we could go in and out to the fields without disturbing them, as their winter accommodation is further from the milking parlour than ours and if they stay there they have to be shut in another part of the shed so we can go in and out.

It didn't last long, due to the fact it rained and rained and rained, again and again and again. We were going out day and night for a few days, which was really good for us and them. We were getting fresh grass and the sun on our backs, which always makes us feel better. The nutritional value of the fresh grass was so much better than the wet grotty silage that they made last November, the latest ever. We thought that when they were doing it. Due to the better nutritional value of the fresh grass we started giving more milk and everyone was feeling a lot happier after such a long winter. I said it was better for them as well, this was due to them not having to clean the yards and bed us down twice a day and run the mixer wagon to put our feed in.

One Friday afternoon when we had torrential rain, they were saved the job of cleaning the yards that afternoon as the drains in the road couldn't handle the deluge and the water ran across the road and washed the yard by the feeders, so clean we could have eaten our food from it.

As a result of all this rain we are in lockdown again, one night when we were out, it got so wet that we were making such a mess, the field looked like a ploughed field where we had been walking over it or a very muddy rugby pitch.

So we are hoping it dries up soon as we are on that grotty late made silage and its not doing our digestion a lot of good, but at least we have something to eat, because we have herd that some farms are completely out of forage stocks due to that strange word of last year, DROUGHT.

One bit of good news is that we recently were all given our six monthly TB test and we all passed. So at least we haven't got to loose any of our family or friends. Hooray!!!

# Not all heros wear capes!

We have a remarkable and ever helpful postman, Derrick. He is always there with a smile and a kind word (or in my case a sarcastic comment about my addiction to internet shopping, all in jest though!)

His wildlife photography is stunning and the calendar he produces each year displays his amazing work and raises money for charity, another display of his generosity and community spirit.

We all know Derrick as he has been part of our community for many years and preformed many acts of kindness

His latest act of kindness however can't go by without us celebrating the fact that he is such a big part of the community and is in fact a hero. Recently in Cucklington he rescued an elderly lady. He saw her through the window lying on the floor, and sprung into action.

He gained entry and helped her into a chair reassuring her all the time. If Derrick hadn't seen her, then we can only wonder as to how long she would have been lying on the floor. She didn't want an ambulance, so he then toured the village until he managed to find someone who he could let know what had happened and leave he lady in their care.

Thank you Derrick, a true gentleman, hero and friend to many.

## VILLAGES' WALKING GROUP

### MAY WALK.

Bluebells were very much in mind for the VWG's April walk on 28<sup>th</sup> April. A mid-month recce suggested the woods at Pen Selwood, carpeted in bluebells, would produce their wonderful blue flowers (and scents) in profusion in time for our end-of-April walk. Let's hope the sun prompted the flowers to make their timely appearance.

Friday 26<sup>th</sup> May is proposed for the Group's next walk – when we hope to do the local Charlton Musgrove walk planned originally for New Year, but cancelled because it was wet and water-logged underfoot. It should have dried out by now!

It is proposed we **meet at Charlton Musgrove Village Hall for a 10am start on Friday 26<sup>th</sup> May**. Our proposed walk will take us along Shalford Lane and then, via the footpaths, across the fields to Rectory Lane. By keeping to footpaths we aim to walk on Rectory Lane as little as possible, and then loop back across the fields and footpaths to Shalford Lane, and thence to the Village Hall. It is a walk of just over 3 miles, mostly on the level, with a few stiles along the way.

Do pencil this date in your diaries, and join us if you can. You will be most welcome.

CHECK THE POSTCODES  
BELOW AS DATES MAY DIFFER  
FOR SOME.
