### What do you think?

I've just come away inspired and humbled from a morning spent with 20 committed church members from the villages of Cucklington, Charlton Musgrove, Bayford and Stoke Trister. These people were willing to give up 4 precious hours on a Sunday morning (and the women's world cup final) to think about our local church, consider opportunities for growth and discern future challenges. They came, some with heart failure, migraine, family and farm pressure, to listen to one another and to God, because, after all, the church is His body and, what we do matters to Him.

The time was facilitated by local farmer and parish development adviser Rob Walrond. We heard about Charlton Musgrove's free cafe running every Monday morning from 10am to midday at St John's church, the different community events and pastoral visiting organised and undertaken by church members and the private prayer and diverse worship services organised for the benefit of all living in the villages. We also considered the challenges facing the rural church, sustained by so many volunteers giving time and finance to keep church buildings open.

And, as part of determining where God is taking us next, having listened to one another and to Him, we'd love to hear from you. What role would you like the church to play in village life in the future? What do you value and where could we be refocusing our time and effort? And how could church buildings be used to serve local communities better, in addition to providing a venue for worship? There will be the chance to tell us what you think with an online survey, but, in the meantime, do drop me an email ([rosyashley@hotmail.com](mailto:rosyashley@hotmail.com)) or a note through my door (Chestnuts, Rowls Lane, Cucklington, BA9 9PY) if you'd prefer to be anonymous.

We want to know what you think as God speaks to and through us all and so your thoughts are precious!  
Rosy

Revd Rosy

When you hear the word 'disciple', what comes into your mind? A learner? A follower? A super Christian? Someone kitted out in Biblical dress complete with robe, sandals, tea towel head covering and beard? The New Testament's word for disciple doesn't quite match any of these descriptions. It's much closer to the word we'd use in English for 'apprentice'. Back in history, and still today, to be an apprentice meant spending time in the presence of a master in order to learn a craft – maybe carpentry, or blacksmithing, baking or butchery. You'd start out doing the simple stuff – sweeping floors or sharpening tools. Then gradually you'd acquire more and more skills until you learnt to work confidently with materials producing beautiful things, products of utility and worth. Apprentices often learnt their craft while living alongside their masters, becoming members of their trade through time spent together at work and rest and play. Jesus was often called 'the carpenter's son' – apprenticed to his worldly father Joseph, growing in skill at the plane and the lathe. He was also the apprentice of his heavenly father. The Gospels speak of Jesus withdrawing to spend time with God in order to know God's mind, hear God's voice, grow in God's ways. Apprenticeship was and is a story of growth, development, discovery and change. It's the journey that Jesus invites us to take with him too – of baby steps and toddler stumbles, of emerging skill and increasing understanding. Churches near you are offering opportunities to apprentice yourself to Jesus this autumn - from practical action that gets you involved in Jesus's service to the world, to learning and discussion that comes with courses such as Alpha, Exploring Christianity or Pilgrim. Why not sign yourself up and learn from the Master?

**ALL SOULS' SERVICE, SUNDAY 29<sup>th</sup> OCTOBER  
REMEMBERING OUR DEPARTED LOVED ONES**

On Sunday 29<sup>th</sup> October, at 9.00am, an All Souls' Service is to be held for all our three parishes. This special memorial Service will be held at St. Stephen's, Charlton Musgrove, and is for all who wish to attend. For those who have been bereaved, and lost loved ones, it will provide a special opportunity to remember those they love but see no longer, whether that loss is recent, within the past year, or longer ago,

During our Service the names of our departed loved ones will be read out, and candles will be lit in their memory, and we shall give thanks too for all they meant, and all they still mean, to us.

So that we can be sure to include the names of those you would wish to have commemorated during our All Souls' Service, a list will be available, from the beginning of September, in each of our three churches in this benefice: Charlton Musgrove, Cucklington and Stoke Trister.

If you would like the names of your dear departed included in this special Service, then please do provide their names (first name by which they were familiarly known, and surname) and your own contact details on one of the lists provided. Alternatively you can phone us, or e-mail us (details below), with that information.

If you would like to remember someone dear to you, however recently or long ago they died, and would like to join us in worship to commemorate them and to give thanks for them, then do come and join others from all three of our parishes for our All Souls' Service on Sunday 29<sup>th</sup> October, at 9am, at St. Stephen's, Charlton Musgrove, a Service for all our three parishes.

### **Stoke Trister Defibrillator Project**

Following on from the number of times the Bayford defibrillator has been used, the parish council would like to purchase one for Stoke Trister.

The purchase and installation costs of a defibrillator in an external cabinet sited centrally in Stoke Trister would be around £3,250.

If you would like to help in any way, perhaps you are a local business or resident who would like to make a **donation** to the purchase, please contact [jogarrett29@aol.com](mailto:jogarrett29@aol.com).

Advance notice

The date is booked for this years Christmas fair at Bayford village hall in aid of St Andrews Church. **Saturday 18th November 10-12 noon** please keep an hour free to come along and grab a bargain! If you have items to donate or would like to help please contact Christine Perrett or Maggie Giles on 01963 33147. More info to follow next month.

Many thanks

Penelope Volk!! Penny as we all know her, has lived in the village for many years, along with her husband Peter, and children Kate and Joe.

Penny was sharing about her life as a film producer for TV

She shared a bit of her story! Starting with her time with Negretti Zambra, in Regent Street, Lintas, then moving on to Allied Graphics. She was also secretary for David Kingsley, of Mantan and Palmer,

Further working in Brazil, telling us interesting stories, from there, including the food she ate!!!

Working for a Film company Studio Lambert ( known recently for 4in a bed).

Traveling to other countries working again in various roles in film production, documentaries etc. Tunisia, Austria and across Europe!!

Penny gave up her travels when her daughter Kate was born, and then Joe.

Penny then ran a riding stables in Parsonage lane, which many local children enjoyed, along with children from further afield.

Penny is a real Gem, so knowledgeable about so much. Plus her history of the village, and folk here. She definitely keeps us all entertained.

It's great to get to know folk, and what riches, we have amongst our community.

That's the lovely thing of coffee and chat!!.

**Coffee, cake and a chat takes place every Monday 10-12 at St John's**

Welcome to Jennifer and Dennis, who have moved into Tanglewood. May you have many happy years here amongst us.

## Charlton Musgrove Short Mat Bowls

## TWO ORGANISTS PLAY AT ST. LAWRENCE'S, CUCKLINGTON

Many village churches struggle to find an organist these days, yet St. Lawrence's, Cucklington, had two Organists playing for our Service on Sunday 23<sup>rd</sup> July.

Our churches here in Charlton Musgrove, Cucklington and Stoke Trister feel very blessed to have Simon Bending as our regular, and splendid, Organist. But on that particular Sunday Simon slipped away from the organ stool just before the final hymn to allow Neil Chaffey to take over at the keys.

Neil, who now lives in north Hertfordshire, celebrated his 86<sup>th</sup> birthday that day and, with his son Laurence and daughter-in-law Aira, was visiting old haunts. Understandably he was delighted to play at St. Lawrence's where he had been appointed Organist at the remarkably young age of 11, seventy-five years ago. Young Neil, who had been taught to play the organ by Mr. Harry Carr, Organist at Wincanton Parish Church, faithfully cycled up the hill to Cucklington church (and Stoke Trister) Sunday by Sunday. In later life he was Director of Music at The King's School, Macclesfield and had continued as an organist and choirmaster.

These days arthritis in his fingers limits his playing which is why he agreed with Simon to play the closing hymn and the final voluntaries.

Prebendary Mike Vockins, who led the Service, said: "It was so good to welcome Neil to play here again after all these years, and to hear him play the organ with which long ago he had become so familiar. It sounded as if he had never been away, and it was a real joy to hear his music. And what a delightful way for him to celebrate his birthday!"

Neil declared it "a special thrill" to be back at St. Lawrence's and playing the organ there again.

Neil Chaffey, 86, playing the organ at St. Lawrence's Church, Cucklington, 23<sup>rd</sup> July 2023

# UDDER FARM

## NEWS

Hi 247 here again, I decided it was time I let you know what was going on the farm now, not fifty years ago. Well as I said in April/May we were dashing in and out of our winter housing, like a cuckoo in a cuckoo clock, one hour we would be let out, the next we would be running for shelter in the buildings as it was tipping down with rain. [The polite way of saying it]

This carried on till the middle of May, when there was a bit of respite for a few days, so they managed to cut the grass for our winter feed of silage. They did manage to get the fertilizer and slurry on, so due to the moisture in the soil the grass started growing again quite quickly, that is the silage grass.

However it appears that it doesn't rain, but it pours, and then it dries up and we are in near drought conditions and the grass that we graze almost stopped growing as there was such a deficit of rain. They didn't have much silage left from last year, so to keep us full and to stop us moaning about not having much grass. They found us some of last year's hay and bales of silage which they fed us. It wasn't very good, but at least we had full bellies.

Grumpy went on holiday at the end of June which was a good sign for us, as when he went away it began to rain and the grass began to grow again, slowly at first but as the rain increased we had a lot more to eat. Problem is I don't think they fed us all of last year's silage and hay, so we may have to have some of that again.

As the rain fell in July the grass grew really well and the mud on some of the tracks leading to the far off paddocks became more like November, but at least we had some fresh grass. At one stage there was so much they pre mowed the grass. This is when they put the big mower on the tractor and cut the grass in swathes[rows] and we go along and eat it out of the rows, some of the reason for this is that some of the herbs they put in the grass mixture tend to bolt in the dry weather and get too tough for us to eat, but if they cut them they are more tasty.

The other bit of news is that we are all getting ready to go on holiday, some are already out in the fields enjoying the rest from being disturbed, twice, every day to be milked. Mind you if they didn't come and get us and disturb us, we wouldn't get fresh grass every day and our udders would be getting a bit uncomfortable due to the pressure of the milk in them.

Lets hope that now we are on our holidays, in our dry period, we can rest in the sun and not have to hide under the hedges and trees to keep dry. Once we have had our holiday we will be brought back to the farm to give birth and start work again producing milk for Wyke Farms cheese. Enjoy.

## VILLAGES' WALKING GROUP – SEPTEMBER WALK

Tony and Janet Cole have kindly offered to lead our walk in September, on **Friday 29<sup>th</sup> September**. The location and route are still be decided, and will be circulated to those on our VWG e-mail list. If you're not on our list and would like to walk with us do get in touch.

As usual we propose **meeting at Charlton Musgrove Village Hall, ready to depart at 10am**, as this will allow car-sharing where desired.

Do join us if you can – you will be most welcome – and as always, it would be a kindness if you would get in touch beforehand, please, (contact details below), to let us know you will be walking with us (so we won't set off without you). If anyone needs a lift to get there, or needs directions, do contact us.

In July, amidst the rainy season, we picked a really pleasant morning for our Cucklington walk. With the original route made difficult, almost impassable, with stiles overgrown with nettles and brambles, Plan B took us from the Viewpoint across the golf course and down the field to Shanks. We continued in a clock-wise direction over field footpaths to reach Lear's Lane and Hale Lane before taking to the fields again, up hill back to the Viewpoint. It was a walk of around 2½ miles. A pause to draw breath allowed us to take a group photograph.

For our August walk we hoped to be Up on the Downs, in fact up on Mere Down.

FOR CUCKLINGTON AS ALWAYS  
CHECK THE POSTCODES  
BELOW AS DATES MAY DIFFER  
FOR SOME.

This collection calendar is correct (according to SSDC) for all of Charlton Musgrove, Bayford, most of Stoke Trister (BA9 9PJ, BA9 9PQ) and part of Cucklington (BA9 9QH, BA9 9QJ, BA9 9QY, BA9 9PW, BA9 9PU, BA9 9QN)

For other postcodes in Stoke Trister and Cucklington the recycling and garden waste is the same but refuse is 2nd and 22nd
