FROM THE RECTORY

One of the most joyful events in nature's calendar for me is when the swallows return. You aren't thinking about them, you are out walking and your mind is on other things, when suddenly you catch sight of that familiar but half forgotten silhouette: they are back! One swallow certainly doesn't make a summer: in fact we know to our cost that whole flocks of swallows do not guarantee hot sunny summer weather but they do tell us that the short days of winter are behind us for another year. For the friends of Jesus who had followed him down from his home in Galilee in the north to his death on a Roman cross in Jerusalem, it was those tell-tale signs, much like the outline of a swallow on the wing, that told them what they could hardly take in, that Jesus, their crucified teacher, had indeed been raised from death as he said he would be. For Mary Magdelene, it was his voice, calling her name; for Clopas and his unnamed companion, it was the way Jesus blessed and shared the bread at the beginning of the evening meal, while for the fishermen who had come from Galilee, it was the re-enactment of the miracle that occurred when Jesus first called them from their fishing boats to be his students that convinced them: put the nets down on the other side of the boat, lads. Other people might not have noticed the voice, the phrase, the action but for those for whom it was intended it was enough to change their lives forever.

We don't get to see the Risen Lord but the thoughts and secrets of our hearts are like an open book to the God who knows us better than we do ourselves. One of Jesus' students, Thomas, issued a challenge, "unless I see the marks of the nails in his hands, unless I put my hand in the wound the spear made in his side, I will not believe". Jesus won't physically appear to us in response to our challenges to him, as he did to Thomas but if we have the eyes of our hearts open, we may notice the fleeting silhouette that speaks only to us. Jo

Every year, the churches in our area get together and invite the Bishop to come to hold a service of Confirmation at which people of all ages gather to reaffirm their baptism vows and be confirmed. Traditionally, this is the prelude to taking a full part in church life by becoming a regular participant in the service when we bless and share bread and wine together, as Jesus did the night before he died and which he commanded his followers to do ever after in his name. If any youngster from the age of 9 upwards, or adult is interested in being confirmed please let the Rector or a Church Warden know.

Benefice Summer Fair – Saturday 14th July 2012

The Benefice Summer Fair will take place on **Saturday 14th July 2012** at the Arthur Morison Memorial Hall, Cucklington, and will run from **2.00 p.m. to 5.00p.m.** The first planning meeting took place on 10th April at Bayford Chapel and many thanks to the representatives from our three parishes who attended. The basis of the fair has been agreed and will include a grand raffle with significant cash prizes, a dog show with a twist in the tail(!), a variety of exciting stalls and, as usual, refreshments to satisfy all palates.

We are also planning to make it a fun event for the increasing number of children in the benefice and elsewhere, many of whom attend our growing faith services. Julia Crawford-Smith has very kindly agreed to coordinate this area and parents who would like to offer assistance are asked to contact her directly on 01747 841045.

The stalls are likely to include: Books, Nearly New, Bottle Tombola, Teas, Cakes, Cards & Pictures, Skittles, Jam Jar Tombola, Plants and Bif-a-Rat. More are in the planning stage. If you would like to organise one of these stalls, help to run one on the day, suggest and run a stall yourself, or help in other areas e.g. car parking, putting up tents, setting out furniture etc, please make contact with your village representatives who are:

Nigel Noble (ST&B), 01963 31071, nigel.noble@btinternet.com

Alan Lyall Grant (ST&B), 01963 34178, alyallgrant@btinternet.com

Brian Trueman (C), 01747 841014, brian@cucklington.plus.com

Veronica White (CM), 01963 32928, veronicawhite@btinternet.com

Finally, we need to start saving jam jars for the Jam Jar Tombola and nearer the time, donations for the Plant Stall. For the jam jars, we need 250 – 280 and ideally filled with goods to a value of about 50p per jar. Next month's magazine will have the collection details with the aim of having all jars with Christine Perrett by 10th July. If you want further details please call Christine on 01963 32311. For the plants please contact Christine Spencer 01963 34299. We will also be asking each village to provide three prizes for the grand raffle and again more details will appear in the next edition of the magazine.

The next meeting of the organising group will take place on **Monday 18th June 2012** at **6.00 p.m.** in the Arthur Morison Memorial Hall, Cucklington. **NBN**

Book Competition in Bayford Chapel

After the success of last year's Quiz, when forty or more people competed, we will have another one on **Saturday 19th May, between 10 am and 4 pm.**

For those who don't know, book titles are shown as a tableau and the game is to guess the title. Just wander in and guess – not a sit down game. This year we will include books made from films and vice versa and reference books.

Entry to the quiz will cost 50p no matter how many exhibits you show. To compete in the quiz will cost £1 to enter and the prize will be a book token. There will be refreshments, a raffle and a few second hand books for sale. Put this date in your diary please and come to exhibit and/or test your knowledge.

If you would like to join in/or discuss, we will have a brief meeting at Bayford Chapel on **Friday, 27th April** from 10 – 11 o'clock. If you can't come, give me a ring and we can discuss it on the phone: Janet, 01963 34056. **JRS**

VISITS TO BISHOP'S PALACE, WELLS

Following the success of last year's parish group discount deal The Bishop's Palace is pleased to announce this year's half price deal of £2.50 per person for groups visiting from a parish within the Diocese of Bath and Wells. This rate is being offered for longer this year, from April to September and with lots of new areas and facilities to discover, 2012 is going to be a memorable year to visit. This exclusive half price offer is only available for parishes in the diocese of Bath & Wells and groups made up of 10+ people visiting between April through to September 2012. If your parish group is 20+ people, the group leader will have free admission. Coach/mini bus drivers have free admission as standard. For a group brochure or to check available dates, contact Moira Anderson, tel: 01749 988111 ext 200. Please see www.bishopspalace.org.uk/events.

ST STEPHEN'S AND ST JOHN'S, CHARLTON MUSGROVE

Church Wardens: Veronica White 01963 32928 and Jonathan Hand 01963 828930

A big thank you to all the people who supported the **Lent Lunch and Jumble Sale** on 16th March. The soups were delicious and there was a lot of interest in the jumble sale. The monies raised will be divided between the church and Christian Aid. We hope to have another jumble sale in the autumn. Watch this space!

We were blessed with a bright blue sky and sunshine for the **Palm Sunday Walk** which began at St Lawrence's Church in Cucklington. After the blessing of the palms and a hymn we set off, about 25 of us, to walk to St Andrew's in Stoke Trister. There we heard the Passion of Christ according to St Mark's gospel. We lost one or two walkers but gained others. Then it was downhill to Bayford chapel where Maggie and helpers provided us with a very welcome cuppa plus water for the dogs. We were all having a leisurely sit down when it was pointed out to Jo that the clock in the chapel was an hour slow! We continued our service there with prayers then set off, about 30 strong plus four dogs to walk across the fields to St Stephen's in Charlton Musgrove. There we ended the service with communion. Then off across the fields to Shalford Farm for a delicious bring and share lunch. What a spread – four or five different soups, local cheese, homemade bread and sandwiches. Thank you to Jonathan and Lucinda for hosting the lunch, to Maggie and her team for providing refreshments at Bayford and for everyone who managed the whole or part of the walk. Donations from the lunch are being sent to Christian Aid.

A big thank you to Bidy, Pauline and Jeanette who decorated St Stephen's for our service on **Easter Day**. It was certainly the 'wow' factor when I went into the church first thing on the Sunday morning. **VW**

Thank you for your overwhelming responses and generosity, as a result of which all costs have been covered. This is a free, no entrance/ticket fee, donation only event. EVERYONE is welcome to come regardless of whether you have donated or not. Even if you have never been to a village event before, or if you haven't yet made up your mind, we hope you will come along to this as it promises to be a great day.

As we have over 200 confirmed attending sadly it will not be possible to use the village hall. We need a large level area in which to host all of the games and site a marquee to seat up to 250. For these reasons the party will be held at the Village Play Area. A number of marquees have kindly been offered including a very large subsidised tent from a village family so in the event of wet weather or scorching sunshine! we have cover.

To help us decorate the number of tables required to seat everyone, please could as many as possible bring a jam jar (or 2!) of wayside or garden flowers; we can't have too many.

The Parish Council are generously providing each child in the village with a special commemorative gift which will be available to collect at the party.

Livestock has been turned out into many of the fields around the village, so walkers, especially those with dogs, should exercise care when using our footpaths. Dogs must be under close control, preferably on a short lead near livestock, and no one should walk between a cow and her calves. Cows and sheep are easily panicked and can injure themselves or abort costing the farmer a considerable monetary loss. Please take care.

LGF

Flytipping is an increasing nuisance around the village with car tyres, mattresses and other items being dumped. Please report anyone seen dumping to SSDC who will investigate and possibly prosecute.

STOKE TRISTER WITH BAYFORD

Betty Wareham

Sadly Betty died in Yeovil Hospital on March 27th. She had made a brave recovery after her illness in August, loved being able to return to Stoke Trister in October, and had enjoyed a happy day shopping with a close friend the day before she became ill again.

Stoke Trister and Bayford will not be the same without her; she was so supportive of the parish, a key member of the PCC and for thirty years looked after the flowers for St Andrew's Church. Gardens were her joy and her own was beautifully kept. A private cremation was held on 4th April and a service of thanksgiving is being arranged for **26th April at 2.00 pm** at St Andrew's – all are invited, please wear something colourful.

Betty's family and friends were very important to her and we send our condolences to them all, in particular her sons Christopher and Anthony, her daughters-in-law Christina and Marilyn and her grandchildren, Alex, Julia, George and Amy.

Den Hazell is still in Yeovil Hospital having tests and we send our very best wishes to him.

Best wishes also to **Rita Spencer** and hope she makes a good recovery.

Bayford Coffee Morning will be held at Bayford Chapel from 10 am –12 noon on **Thursday, 3rd May.**

Janet's Book Title Competition: Saturday, 19th May at Bayford Chapel – see page 5

WARM STREETS SCHEME

The Warm Streets scheme, which is supported by the Somerset local authorities has just been made free for everyone across Somerset. This means that the old income, age and benefits criteria no longer applies for free insulation. Now it is free for everyone who owns or privately rents their home. And Warm Streets currently has the best cavity wall insulation on the market too which means even greater savings for residents in Somerset.

Stoke Trister with Bayford Parish Council

The date of the next meeting is Thursday, 10th May at 7.30 pm. This is the Annual Parish Meeting and Meeting of the Parish Council. All are welcome to attend.

Comments please: The Stoke Trister with Bayford Parish Council is investigating the possibility of installing one or perhaps two defibrillator in the Parish. They are expensive – around £1,000 each.

The Council would like your thoughts and comments on this subject; in particular:

- (a) Is the cost justified?
- (b) Where would it/they be situated (a power supply is needed)
- (c) Who would be willing to be trained in its use (and be normally available).

Please send your comments as soon as possible to any member of the Council or to the Clerk, whose contact details are in this Village News, or to the Chairman at Ardgowan, Riding Gate, Wincanton, BA9 8NG.

Village red telephone box

As you know the Parish Council decided unanimously to keep the lovely red telephone box in the village and not let BT remove it. The general feeling was at the time that this was part of our heritage and should not just be disposed of willy-nilly.

We have had many suggestions as to what use to put this box to without destroying its basic appearance. These suggestions have ranged from putting a defibrillator in it, to using it as a book exchange place etc.

We are still considering the best use for the box and would very much welcome any more practical suggestions. Please forward these to the Parish Clerk at charltonmusgroveclerk@gmail.com or phone on 01747 861576.
